

Energy Markets Continue to be **Extremely Volatile.**

Because of this volatility, we have seen chamber members with electricity rates between **9 and 17 cents per kWh** for the generation portion of their supply.

We want to encourage you to take advantage of the Chamber Energy Program's complimentary bill review service to see if you could be saving money on your electricity bill.

OBTAIN A TRUSTED QUOTE

To receive a complimentary bill review and quote, simply grab a recent copy of your electric bill, fill out the bill review inquiry form, and return it to billreview@ceateam.com. If you have any questions, please call the Chamber Energy Program at 330-409-7892.
